 Thanks for everything, see ya next year  
 Love Mike

Tracy,  
 Well, the year is over  
 and now that I look back

 it dragged on as it went along.  
 In a way I wish it wasn't over but  
 also I'm glad it is. I'm also glad you  
 were around to talk to in For's and  
 I hope I see you in some of my classes  
 next year.  
 Joe

Dear Tracy,

 anything I wouldn't  
 do. I will see you  
 if I come back to  
 this dump. Gotta  
 go.  
 Love  
 Kristal

# Dedication

We, the Class of 1988, would like to dedicate our Yearbook to Ms. Patricia Eckel. Ms. Eckel has shown great dedication and enthusiasm to our class throughout our four years at Westwood. She has been an outstanding teacher and friend, always helping the students, whether we needed extra help in math, someone to talk to, or, more recently, an unselfish person to fill out piles of college recommendations! In addition, Ms. Eckel was our Yearbook advisor for our first three years here, and our class advisor this year. In this, our most important of years, our senior year, she guided us throughout fundraisers, helped establish a class trip to Florida and senior open lunches, and helped prepare us for what lies ahead. We couldn't have asked for a more helpful or giving advisor.

Ms. Eckel, we'd just like to thank you for your generosity throughout our high school years. Your wonderful personality and caring spirit have made the past four years easier. In recognition for all you've done, the Class of 1988 dedicates this Yearbook to you, with much love and appreciation.

# SPORTS

The 1987 Football season was filled with desire, determination, skill, and hard luck. Injuries hurt the team this year, although every player did his best throughout many tough games. The season may have been difficult, but the good highlights and memories will last with each player. Some of these highlights were: beating Ridgefield Park in the first game of the season (a team that went on to the State Playoffs); stopping Pascack Hills on 4 successive downs from the 4-yard line; Leroy Evans running a season-ending 97-yard touchdown on Thanksgiving Day. At that moment, the rest of the season was forgotten and all the seniors shared the joy with him. This team can look back to this season with much pride, because they fought and desired to win in every minute of every game. The seniors would like to wish good luck to the 1988 Football team.

## Cheerleaders

Rain, cold, victory, or defeat, the Westwood Cheerleaders are at every football and basketball game to support the Cardinals. The girls came a long way this year, performing many new cheers and taking first place in the NBIL Pom-Pom Competition. This year the squad loses co-captains Jill Caporale and Alison Dent, and seniors Mary Garino, Mary MacRae, and Liz Uber. We hope that in the years to follow the spirit and dedication the squad had this year will continue to grow.

## Field Hockey

This year's field hockey team had the best season ever recorded by Westwood's team. With a record of 18-2-1, the team tied for the NBIL championship with powerful Northern Highlands. Highlands won the county championship, but our girls had their sights set higher. They went on to win the State Sectional Championship in two tough wins over River Dell and Walkkill Valley. The team reached the State Finals with a triple overtime victory against Boonton, where All-State goalie Maureen Hall showed top form. Westwood went into the State Group II Finals the underdog against six-time champs Moorestown. Playing on the AstroTurf at Trenton State College, Westwood tied Moorestown 1-1 in double overtime to become co-State Champs. The score may have been tied, but the game was truly a victory for our team. This group of seniors has much to be proud of — in two years, they took every title available to them. Good luck to the graduating seniors, who wish continued success to next year's team — keep the winning tradition alive!

# Wrestling

Westwood Wrestlers got off to a good start (11-4) by beating Dumont at their first match and giving Pascack Hills a good scare. They were number 1 in Group II at the B.C.C.A. Christmas Tournament and became *The Bergen Record's* county champs in Groups I and II.

Their other accomplishments were beating Emerson for the first time in ten years and winning the first round in the State Sectionals over Dumont. It all came down to our heavyweight, Pat Smith (25-5-1), who pinned to win. Congratulations are extended to Coach Gallione for being voted District Coach of the Year.

This is the third year in a row that the Cards have made it to the State Sectionals. Capt. Brian Cavanagh (29-0) was named first team All League and All County. Also, Capt. Ben Salerno was named to All League (23-3). Congratulations to the other team members. We would like to wish good luck to next year's team.

## IN MEMORIAM

IN LOVING MEMORY OF

 HIS LIFE WAS TOO SHORT,

 HE WAS A FRIEND AND A FIGHTER  
 MAY GOD BLESS HIM

THE CLASS OF 1988

*Do not think of me and weep,  
 I am not here, I do not sleep.  
 I am a thousand winds that blow,  
 I am the diamond glints on snow,  
 I am the sunlight on ripened grain,  
 I am the gentle autumn's rain.  
 When you awaken in the morning's hush  
 I am the swift uplifting rush  
 of quiet birds in circled flight.  
 I am the soft star that shines at night.  
 Do not think of me and cry,  
 I am not here, I did not die.*

# Class History

September, 1984 — The class of 1988 enters Westwood High School and lights up the halls with neon. Talk of gold medals in the summer Olympics and cries of "Where's the beef?" fill the halls ... no sooner have we entered than we "walk-out" for senior privileges (already?) ... Reagan wins by a landslide in a very different presidential election ... Baby Fae and Barney Clark get new hearts, and our hearts go out to Ethiopians struck by famine — Band Aid is formed in England to help solve the problem, the first of many relief groups ... and we all have *Great Expectations*.

We return to the school as sophomores ... Live Aid has us singing, but another kind of AIDS has us scared ... Reeboks are on everyone's feet, and Miami Vice has us dressed in pastels ... *WHAT*, no Mr. Westwood? ... biology labs are filled with frogs, and Europe is filled with terrorists ... tragedy strikes and every American cries when the space shuttle Challenger explodes in January, killing seven astronauts, including teacher Christa McAuliffe.

Junior Year — We're finally *UPPERCLASSMEN*!! We cheer as the Mets win the World Series, the Giants take the Super Bowl, and Maddie and David *finally* get together ... we all struggle through the PSATs ... Hulkamania and Vannamania spread across the U.S. ... Baby M's trial occurs close to home and scandal fills our nation's capitol — the Iran-Contra Affair ... Shakespeare has us wondering whether we should "be or not" (is that the question?) ... Junior Prom — what a blast! Palm trees and coconuts fill our gym ... as the year comes to a close, we prepare to become seniors, and the band packs for Europe.

September, 1987 — At last we're *SENIORS*, but in Westwood Regional Junior-Senior High School? (what a mouthful!) Homerooms and lockers are changed, there are no parking spaces but plenty of little kids! — When's C lunch? ... *SENIORS GET PRIVILEGES*!! (and no walk-out) — Open lunches and a weekend trip to Florida! ... girls' sports show their winning ways ... college applications flood the guidance office and we all wait anxiously to see where we get accepted — and while Baby Jessica spends what seems like a lifetime down a 22-ft. deep well ... history is made as the Constitution celebrates its 200th anniversary and as the Stock Market crashes — "Black Monday" ... the Winter Olympics capture our attention in Calgary, and we prepare to vote in the Presidential election ... Reagan and Gorbachev sign the INF treaty and we look forward to a happy future after graduation — June 28, 1988.

While we're ready to leave Westwood High, this building holds many memories for us — more has happened in the last four years than we could possibly fit on this page. To the Class of 1988, we wish much love and success — we are sure this class will not soon be forgotten. To the Class of 1989 and future senior classes, we wish as much success as we have had — we hope you will continue the traditions we have established.

Dana Fabrocini and Jeannine Polito

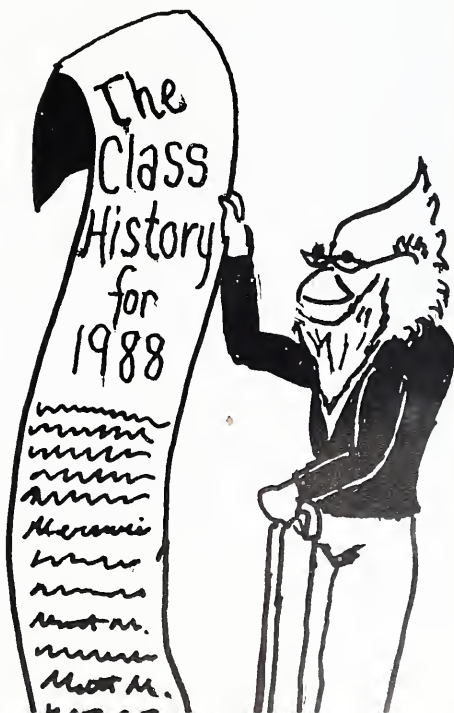

I've thoroughly enjoyed my first year as Cardinal Yearbook Advisor. There was a great deal of work involved in the production of this Publication including the efforts of my publisher Lou Esposito, the photographers and staff of Davor Photo, the creative artistry of Matt Mercurio, the typing skills of Jeannine Polito and Benjamin Martin, the drive and dedication of the editors Dana Fabrocini, Jeannine Polito and Tracy Rosenberg, and the combined efforts of the entire Cardinal Yearbook Staff.

I would also like to thank Ms. Eckel for her time and energy as Business Advisor to the Yearbook. Through her many years of experience with the Yearbook, she helped guide me through my first year as Advisor.

To you, the Class of 1988, keep the memories of the past four years, the good and the bad, and use them to follow your dreams, I wish each and every one of you a healthy, happy, and successful future.

Yours truly,

Andrea Verga
